ANNOUNCEMENTS

Tiger Talkback Question of the Week

Our Tiger Talkback question this week is "Following the passing of Supreme Court Justice Antonin Scalia, President Obama has announced that he will seek to appoint a new Justice before he leaves office. Do you think that it is appropriate for this current President to appoint a new justice, or should he wait and allow our next President to fill the position? (<http://tinyurl.com/jccrax5>)" We encourage you to discuss this in your classes and join the conversation on Twitter by following [@tigertalkback](#)! The question can also be answered on the white board in the Memorial Union.
